

Curriculum Vitae

Name: Joakim Linde
Date of birth: 24th of June 1975
Address: Övre spannmålgatan 4, 411 05 Göteborg, SWEDEN
Phone: +46 (0)31-236478, +46 (0)73-7648675
e-mail: jockelinde@gmail.com
Home page: <http://www.joakimlinde.se>

Education

Chalmers University of Technology, Göteborg, 2002–2003

PhD student, Licentiate degree.

Santa Fe Institute & Central European University, Budapest, Juli-Augusti 2001

Complex Systems Summer School.

Göteborg University, Göteborg, 1994–1999

M. Sc. in Physics. Also additional courses in mathematics and computer science.

Work experience

Software engineer: Tangiamo AB (previously TouchTable AB), 2006–

Algorithms for multi-touch systems, image processing / object recognition and testing.

Project-assistant: The Art&Technology-program at the IT-University of Göteborg, 2005–2007

Project advisory, teaching, programming, systems administration.

Project-assistant/PhD student: Innovative design, Chalmers University of Technology, 1999–2004

Programming, teaching, research, project advisory, systems administration.

Publications

Chaotic Sounds in Coupled Oscillator Networks

Palle Dahlstedt, Joakim Linde and Mats G. Nordahl (2004), Chalmers preprint.

Iterated Games as Models of Alarm Calling

Joakim Linde (2003), Licentiate thesis, Chalmers University of Technology

An n-Dimensional Generalization of the Rhombus Tiling

Joakim Linde, Christopher Moore and Mats G. Nordahl (2001), *Discrete Mathematics and Theoretical Computer Science Proceedings AA*, pp. 23-42

Evolution of Communication

Joakim Linde (1999), M. Sc. thesis, Göteborg University

Computer skills

OS: Linux, Unix, Windows
Programming languages: c/c++, java, php, python

Language

Swedish: first language
English: fluent
German: basic knowledge

Other

Drivers license

Shaolin Si Wushu Guan Göteborg: demonstration team 2002-2008, member of the board 2005, vice president 2006, webmaster (www.shaolin.se) 2006-, replacement instructor 2006-
